

FederaDag 2014
New insights and challenges

Transplantation and Immunology

Immunosuppression or tolerance:
from foreign to own

Friday November 7, 2014
Erasmus University Medical Center Rotterdam

Speakers:

David Sachs
Kathryn Wood

Ineke ten Berge
Frank Dor
Sandrine Florquin
Sebastiaan Heidt
Luuk Hilbrands
Irma Joosten
Marry de Klerk
Cees van Kooten

New insights and challenges

Programme committee *FederaDag 2014*

Frans Claas, chairman programme committee (LUMC, NVVI)
Luc van der Laan, chairman programme committee (Erasmus MC, NTV)
Ineke ten Berge (AMC, NVVI, NTV)
Frank Dor (Erasmus MC, NTV)
Sandrine Florquin (Federa, AMC, NVVI)
Irma Joosten (Radboudumc, NVVI, NTS)
Dave Roelen (LUMC, NTV)

Leendert Looijenga (Federa)

Location

Erasmus University Medical Center Rotterdam
Building: Educational Center, 3rd Floor: Andries Querido Zaal
Wytemaweg 80, 3015 CN Rotterdam

Registration

www.federa.org
All participants will receive a confirmation

Transplantation and Immunology

Immunosuppression or tolerance: from foreign to own

Programme

Friday November 7, 2014

Fundamental Insights Chair: Frans Claas

- 09.30 - 09.40 **Short Introduction to the Alloimmune Response in Transplantation**
Frans Claas (LUMC, Leiden)
- 09.40 - 10.00 **The Role of Dendritic Cells** Cees van Kooten (LUMC, Leiden)
- 10.00 - 10.20 **The Role of T Cells** Ineke ten Berge (AMC, Amsterdam)
- 10.20 - 10.40 **B cells in transplantation: it's not all about antibodies**
Sebastiaan Heidt (LUMC, Leiden)
- 10.40 - 11.00 **The Role of NK Cells** Irma Joosten (Radboudumc, Nijmegen)
- 11.00 - 11.30 **Coffee break**
- 11.30 - 12.15 **Fundamental aspects of transplantation tolerance**
Kathryn Wood (University of Oxford, UK)
- 12.30 - 13.25 **Lunch**

Clinical Translation Chair: Luc van der Laan

- 13.25 - 13.30 **Short introduction** Luc van der Laan (Erasmus MC, Rotterdam)
- 13.30 - 13.50 **Pathology of Rejection** Sandrine Florquin (AMC, Amsterdam)
- 13.50 - 14.10 **Immunosuppression** Luuk Hilbrands (Radboudumc, Nijmegen)
- 14.10 - 14.55 **Translational aspects of transplantation tolerance**, David Sachs
(Transplantation Biology Research Center, Massachusetts
General Hospital, Boston, USA)
- 14.55 - 15.20 **Tea break**

Societal Challenges Chair: Frank Dor

- 15.20 - 15.25 **Short introduction** Frank Dor (Erasmus MC, Rotterdam)
- 15.25 - 15.45 **The Dutch National Kidney Exchange Program**
Marry de Klerk (Erasmus MC, Rotterdam)
- 15.45 - 16.30 **Discussion about the shortage of donors**
- 16.30 **Federa Award 2014**
- 16.40 **Drinks**
